

Enough

Agathocles

You always told me what to do
but I've had enough, enough of you
I can't take it anymore
You make my head feel fucking sore

What's going on in my fucked up mind
What's going wrong in my fucked up mind

Put a gun to your head
and blow your skull full with lead
pull the trigger again and again
that's when I'll be smiling again

What's going on in my fucked up mind
What's going wrong in my fucked up mind
