

No Use... Hatred

Agathocles

No use to fucking smile - hatred
No use to fucking cry - hatred
Let your head filled with hatred
Let your head filled with hatred

No use to fucking smile - hatred
No use to fucking cry - hatred
Let your head filled with hatred
Let your head filled with hatred

No use to fucking smile - hatred
No use to fucking cry - hatred
Let your head filled with hatred
Let your head filled with hatred
