Zero-Tolerance

Agathocles

Zero tolerance is the new trend minor criminals get the iron hand rapists, murderers and politicians don't seem a threat the other hand is held above their heads zero fucking tolerance is this what you demand? minor criminals locked away white board criminality protected to stay

Zero tolerance is the new trend minor criminals get the iron hand rapists, murderers and politicians don't seem a threat the other hand is held above their heads zero fucking tolerance is this what you demand? minor criminals locked away white board criminality protected to stay
