No Such Thing

Agent Orange

You're kind of acting strange to me You really shouldn't be so rude I think I've seen you change your mind before I've never seen you change your mood Everybody get away from me Don't everybody push and shove Everybody stop asking me I'm telling you I'm not in love

(chorus)
There's no such thing
It doesn't matter to me
I know there's no such thing
Isn't that a relief?
To know there's no such thing

Hey you! Snap out of it It's time for you to act your age No you're never going to get your way So break into a screaming rage A good excuse to start a non-stop teenage romance Turning love into lust I'm only looking for somebody to talk to Or somebody I can trust

(chorus)
