

Outer Space Connection

Agent Steel

No Connection to Outer Space
Trapped on this earth by a demoness race!
You're all trapped on this earth
From birth to birth...
At war with greed we're a disgrace

Inferior and Superior
Complex of the Worshipers
Clique Termites no intelligence...
Alien races look down in disgrace
Complexity of terror you're all in Error
Behind your big wheels your vulgar appeal

You against them
They're against you
You against all
All against me
Me against all
All against all
You against me
Me against you!

Your Hollywood boffs
Don't fucking intimidate me...
Ducking degenerates they're selling hypocrisy
Someday you'll fall by the homeless militias...
The people you've shit on will rise up to getcha!
You're trapped on this earth from birth to birth
You've no connection to outer space...
You precious humans you're such a disgrace

You against them
They're against you
You against all
All against me
Me against all
All against me
You against me
Me against you...
All against all...
All against me...
Me against all...
All against you...
Me against all...
All against me!

(A magnetic cosmic mutation
Is manifesting from other stars...
An alternate dimension
Puncturing the veil of this world...
Preparing the shift of consciousness
All your galaxies...will collide!

To the bottom of the more advanced galaxies...
Where no one dies
The second death...
...As many will on earth

With the demoness in charge)

You against them
They're against you
You against all
All against me
Me against all
All against all
You against me
Me against you...
All for one and none for all!
All for one
And none for all!
