A simple lesson in spanish!

Don't it sound good when I say it in spanish?

I like the arse jelly back off Culo!
Arse jelly back off Culo,
Arse jelly back off Culo! Culo!

I got the arse jelly back off Culo
Arse jelly back off Culo,
Arse jelly back off Culo! Culo!

I like the arse, jelly back off Culo!
I could get loads but I'd rather choose uno,
Now I wanna hit it from behind,
Girl your arse is so fat I think it's got it's own MIND!

Right now little johns not so little,
So bounce bounce baby I wanna see it jiggle,
I can see it from here I don't need a tom tom,
So like ricky martin says girl shake your bom bom,

Not slow I meant fast of course,
And mami it looks like your related to a horse,
I meant it in the nicest way possible,
How did your arse get so round and shaped it not logical,

I'm not one of them chicos on a hype,
So I want you to get on my excercise bike,
I'm not one of them chicos on a hype
So this time baby I'm a say it how I like,

Arse jelly back off Culo!
Arse jelly back off Culo,
Arse jelly back off Culo! Culo!

I got the arse jelly back off Culo
Arse jelly back off Culo,
Arse jelly back off Culo! Culo!

Culo Cu-Cu CULO!

I like asian latin black white,
Dj play this I'll be dancing all night,
When you hear culo then say it back twice,
Pronounce it right and it sounds so nice,
Come diffrent and not the same,

You can ride it all night baby grab onto the reigns,
Feel freaky no need to explain,
Let me smack it up you can feel pleasure without pain,
And you can feel pleasure without shame,
Cause your arse is so special it needs it's own name,
Arse so special it needs it own lane,
Arse so special it plays it's own game,
Arse so flash it wears it's own chain,
If you wanna fly you'll need your own plane,
No one can say your arse is so plain,
It's all looking in the mirror your arse is so VEIN!

Arse jelly back off Culo!
Arse jelly back off Culo,
Arse jelly back off Culo! Culo!

I got the arse jelly back off Culo
Arse jelly back off Culo,
Arse jelly back off Culo! Culo!
