And you can have all of me tonight
Ain't nobody else gon' make it right
You got me like a bullet taking flight
I'll hit you right
Just like you like

And you can have all of me tonight
Ain't nobody else gon' make it right
You got me like a bullet taking flight
I'll hit you right
Just like you like

Aggro:

They call me chef, they like the way I mix it
If you can take the heat, come on, step into my kitchen
Tell me how you like it, tell me how you want it
I'll prepare to give it to ya, I don't even have the front, Row
Give me the order, how do you want it served?
If you want the main course, let's the get the orders
I'm headin' home, I'm ready dressed before you wear me, baby
Um, dois, treiz, cuatro, cinco, seiz, sete
