

Love Like This

Aggro Santos

I feel your touch when we connect on the floor
After I find you watch you got me wanting it more
My friends tell me to leave her but my heart isn't sure
I've never had a love like this before

Yeah, I meet lots of women and that made me a villain
You're not the same so a pool side killing
Vamos la Vamos a boom bam widdum
Girls in la ropa dance to the rhythm
Fest and fiesta, drinks in my system
This girls got me wishing
Back to mi casa, drinks in the kitchen
Tom Cruise. Man on a mission.

I love the 4 by 4
Bass
As it drives me to the floor
I'm safe
I wouldn't wanna be in any other place
Let's stay face to face

I feel your touch when we connect on the floor
After I find you watch you got me wanting it more
My friends tell me to leave her but my heart isn't sure
I've never had a love like this before
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh

You're mine, mine
Single for one at a time
No stress, just love all the time
Rosé or champagne, that's fine
Yo girl, let's get this party all-nighters full
And time to party strong
Everybody loves a party some
Too many girls
Aye aye aye

I love the 4 by 4
Bass
As it drives me to the floor
I'm safe
I wouldn't wanna be in any other place
Let's stay face to face

I feel your touch when we connect on the floor
After I find you watch you got me wanting it more
My friends tell me to leave her but my heart isn't sure
I've never had a love like this before
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh

I've never felt like this
I'm sure, I'm on the edge
And I'm wanting your more

Put your hands up, let's explore
Come on and ride if you like tonight

I feel your touch when we connect on the floor
After I find you watch you got me wanting it more
My friends tell me to leave her but my heart isn't sure
I've never had a love like this before
Oh oh oh oh
Oh oh oh oh
I've never had a love like this before
Oh oh oh oh
Oh oh oh oh
I've never had a love like this before
