

# Karma

Agnez Mo

I just saw some coolest fuck right here... two times

Yeah yeah  
Yeah yeah yeah

How can this be, who the hell is she?  
Callin' at 3 in the morning then text and delete  
You say you love me but you last and repeat  
But I ain't havin' it  
That's why I confronted you with evidence  
He give me [?]  
He never loved me but that's what you said  
That's what you said

So maybe I could learn and tell you no  
Or I set a fire to your coat  
Baby all is fair and love him more, uh  
Baby that's how karma go, go, go  
Baby I should go and keep it tough  
And say I should to get from breaking hearts  
Baby all is fair and love him more, uh  
Baby that's how karma go, go, go  
Karma go, go, go  
That's how karma go, go, go  
Yeah, baby that's how karma goes

All I know is she ain't me  
You ain't right the energy  
She ain't even never me  
Boy you gon' need like two or three  
Shit ain't never get involved, shit of likes to call  
But you took her to the mall and she maxed out on your cards

I know you lyin' boy I got the evidence  
My dusse call and told me that they saw you there  
He never loved me and that's what you said, that's what you said...

So maybe I could learn and tell you no  
Or I set a fire to your coat  
Baby all is fair and love him more, uh  
Baby that's how karma go, go, go  
Baby I should go and keep it tough  
And say I should to get from breaking hearts  
Baby all is fair and love him more, uh  
Baby that's how karma go, go, go  
Karma go, go, go  
That's how karma go, go, go  
Yeah, baby that's how karma goes

It comes around because you make it go around

So maybe I should learn and tell you no  
Or I set a fire to your coat  
Baby all is fair and love him more  
Baby that's how karma go, go, go  
Baby I should go and break your window  
And say I should get from breaking hearts

Baby all is fair and love him more, uh  
Baby that's how karma go, go, go  
Karma go, go, go  
That's how karma go, go, go  
Yeah, baby that's how karma goes

Yeah yeah  
Yeah yeah yeah  
Yeah yeah  
Yeah yeah yeah
