

Level Up!

Agnez Mo

This is one time
It's danger time

Hey, when it's time to pop-op
You know I never stop-op
On another level pedestal I never fup
A mother goes stuck up
I'm Dolce & Gabanna
Na Jamaican cutest Asian
But still hit 'em like a chatage

Tell a hater shut a
My shorty pin whatta
This tv they can't see me
Try to be me but they nah

I got a dollar in the bank
The tapper, the stack
I flipped in make it right back
Test his penny on her back

All I know is everywhere I go I'm a boss for sure
I take my crown when I walk up with the tat

Level up if you mad (yeah)
Level up if you mad, mad, mad, mad, mad (yeah)
Level up if you mad (level up, level up)
Level up if you mad, mad, mad, mad, mad, mad, mad, mad

Every time you see me yeah, you know I'm shinin' on in
Fashion like a secret agent dip thing but in gold
Pamela and majela
And you can't tell me no, no
Got me stripping like waterfall
Put chandelier around my neck though
Got it like everyday fuck what a lib gotta say
I say like in a cab like a fate
I just watch 'em chase to the doll
Sittin' pretty, throwing money on the floor
Don't got pennies, I got bennies in the bold

All I know is everywhere I go I'm a boss for sure
I take my crown when I walk up with the tat

Level up if you mad (yeah)
Level up if you mad, mad, mad, mad, mad (yeah)
Level up if you mad (level up, level up)
Level up if you mad, mad, mad, mad, mad, mad, mad, mad

Fashion like a secret agent dip thing but in gold
Fashion like a secret agent dip thing but in gold
Sit, sittin' pretty, throwing money on the floor
Sittin' pretty, throwing money on

Level up if you mad (yeah)
Level up if you mad, mad, mad, mad, mad (yeah)
Level up if you mad (level up, level up)

Level up if you mad, mad, mad, mad, mad, mad, mad, mad

Level up if you mad (yeah)

Level up if you mad, mad, mad, mad, mad (yeah)

Level up if you mad (level up, level up)
