

BEAUTIFUL MADNESS

Agnes

Welcome home, honey
Beautiful, beautiful

Seeking, finding, falling
Possible, impossible
Fragile, unstoppable
Grinding, slacking
Madness, so beautiful
Seeking

I've been searching, I've been seeking like a maniac (finding)
To find the hidden reason why the heart's set up to crack (falling)
Now I've been looking 'round every corner, turned every stone (climbing)
I've looked so deep into myself I nearly crushed the bones

Madness, so beautiful
Madness, so beautiful
Madness, so beautiful (surviving this madness)

Seeking, finding
Falling, climbing
Loving, hating
Glowing, fading
Possible, impossible
Fragile, unstoppable
Grinding, slacking

Madness, so beautiful
Madness, so beautiful
Madness, so beautiful
Madness, so beautiful
Madness, so beautiful
Madness, so beautiful
Madness, so beautiful
Madness, so beautiful (surviving this madness)

I've been searching, I've been seeking like a maniac
To find the hidden reason why the heart's set up to crack
Now I've been looking 'round every corner, turned every stone
I've looked so deep into myself I nearly crushed the bones
