

FOCUS

Agnes

Focus, focus, focus, lost
Focus, focus, focus, stay
Focused, focused, focused, be
Focused, focused, focused, now

Why do one thing when you can do three?
Why simplify when you can make it uneasy?
Multitasking is the new masking
To forget and unset

What, what, what

Stressed out and bored at the same time
Come baby, shine, shine, shine
With your heart racing high
Everywhere and nowhere
No one or thee one

Focus, focus, focus, lost
Focus, focus, focus, stay
Focused, focused, focused, be
Focused, focused, focused, now
