

Got Me Good

Agnes

I Don't Remember
A Word You Said
But That November
I can't Forget
Intoxicated In Every Way
There's Something About You
My Friends Are Saying
I'm Not The Same
I Try To Fight It
But I can't Get Away
Look At Me Now
Spinning Up And Down Losing My Ground
What Is It About You
I Got You Under My Skin
Would You Mind Spending Time
You Got Me Under Your Spell
Got Me Good Can't You Tell
I Wanna Feel This Forever
I'll Try And Fight It But No One Else Would Do
I Wanna Do This Together
Like You Should
You Got Me Good
You Got Me Good
Maybe I Shouln't
You Say You Can't
It's Complicated
But You Don't Understand
I'm Losing My Mind
Every Time
Every Time It's Always About You
I Got You Under My Skin
Would You Mind Spending Time
You Got Me Under Your Spell
Got Me Good Can't You Tell
I Wanna Feel This Forever
I'll Try And Fight It But No One Else Would Do
I Wanna Do This Together
Like You Should
You Got Me Good
You Got Me Good
