

## Loaded

Agnes

What just passed you I'm pointing a..  
it like have just ..injury  
is that thing loaded, loaded,  
is that thing loaded, loaded

I know I have seen you before  
and I have met I'd like to see more  
is that thing loaded  
is that thing loaded

I wanna see your hands, your curves  
what goes through your head  
I gotta know if you post that match of a threat

Get down on your knees, say baby please  
then maybe baby I can see that  
Get down on your knees, say please please  
and I surrender, surrender, surrender

What is path you are pointing the  
it's interesting what ..  
is that thing loaded, loaded, loaded  
is that thing loaded, loaded

I wanna see your hands, your curves  
what goes through your head  
I gotta know if you post that match of a threat

Get down on your knees, say baby please  
then maybe baby I can see that  
Get down on your knees, say please please  
and I surrender, surrender, surrender

Please go  
is that thing loaded?  
is that thing loaded?

2 x  
Get down on your knees, say baby please  
then maybe baby I can see that  
Get down on your knees, say please please  
and I surrender, surrender, surrender
