

# Nothing Can Compare

Agnes

I see the writing on the wall  
But I'm not ready to let go  
I know it's all been said and done  
But nothing can compare with you

So go ahead, go on  
Don't keep me waiting no more  
Just go ahead and love me hard  
Nothing can compare with you

You, you  
Nothing can compare with you, no no  
You, you

Nothing can compare with you, no  
Just love me little, love me

Yeah hold me little, baby, make me feel you're all mine

Just give me little, give me  
Yeah, hold me little  
Nothing can compare with you

And all the things I said to hurt you  
You know I'd take them back if I could  
Just give me one more, one more chance  
Cause nothing can compare with you, no

So go ahead, go on  
Cause I've been waiting (I've been patient) way too long  
Just go ahead and love me hard  
Nothing can compare with you

You, you  
Nothing can compare with you, no no  
You, you  
Nothing can compare with you, no no  
I made up my mind  
Want every little piece of your heart now  
I made up my mind  
Nothing can compare with you

Nothing can compare with you  
Nothing can compare with you (Nothing can compare)  
Nothing can compare with you  
Nothing, nothing, nothing at all

Someday, somehow  
You will understand  
Someday, somehow  
You will

Someday, somehow  
You will understand  
Someday, somehow  
You will
