

# One Last Time

Agnes

Beat. Drum. I'm gonna lose him  
Just like water through my hands  
Light hits your face and you look at me like I'm a stranger  
So far away, but still so near

And you can blame it on my crazy heart.  
I got lost, you got torn apart  
I wish you would let me hold you  
Let me hold you  
One last time

If this is over, if this is the end  
If you don't wanna see my face again  
Please just let me hold you  
Let me hold you, one last time

Last night when you were sleeping  
I danced away, I flew so high  
I let you down and then I woke up next to a stranger  
I can't believe, what have i done

And you can blame it on my crazy heart.  
I got lost, you got torn apart  
I wish you would let me hold you  
Let me hold you  
One last time

If this is over, if this is the end  
If you don't wanna see my face again  
Please just let me hold you  
Let me hold you, one last time

I don't know what to say anymore  
I don't want it to end up this way  
If you would only give me the chance  
I know I could do so much better

And you can blame it on my crazy heart.  
I got lost, you got torn apart  
I wish you would let me hold you  
Let me hold you  
One last time

If this is over, if this is the end  
If you don't wanna see my face again  
Please just let me hold you  
Let me hold you, one last time

One last time  
One last time  
One last time  
One last time
