

# Somewhere Down the Road

Agnes

We had the right love  
At the wrong time  
Guess I always knew inside  
I wouldn't have you for a long time

Those dreams of yours  
Are shining on distant shores  
And if they're calling you away  
I have no right to make you stay

But somewhere down the road  
Our roads are gonna cross again  
It doesn't really matter when  
But somewhere down the road  
I know that heart of yours  
Will come to see  
That you belong with me

Sometimes good-byes are not forever  
It doesn't matter if you're gone  
I still believe in us together  
I understand more than you think I can  
You have to go out on your own  
So you can find your way back home

And somewhere down the road  
Our roads are gonna cross again  
It doesn't really matter when  
But somewhere down the road  
I know that heart of yours  
Will come to see  
That you belong with me

Letting go  
Is just another way to say I  
Always love you  
so...

We had the right love  
At the wrong time  
Maybe we've only just begun  
Maybe the best is yet to come  
'Cause

Somewhere down the road  
Our roads are gonna cross again  
It doesn't really matter when  
But somewhere down the road  
I know that heart of yours  
Will come to see  
That you belong with me
