

# I Keep Them On The Floor Beside My Bed

Agnetha Fältskog

I knew I had to leave that day  
I couldn't take it anymore  
Yes, I had it all by then  
But I lost myself somehow  
Well who cares what I do now

I never thought I'd hurt this much  
My heart would break so easily  
I'm a fool and that's a fact  
I'm a fool now I can see  
Our love was meant to be

The memory starts to flow  
The picture is me and you  
I keep them on the floor beside my bed  
The images rewind  
I loose myself in time  
The movie still playes on inside my head

You're always here  
That's how it seems  
I feel you even in my dreams  
I should have stayed and worked it out  
That's what love is all about  
Instead I left you all alone

Oh! The memory starts to flow  
The picture is me and you  
I keep them on the floor beside my bed  
Summer nights together  
Walking hand in hand  
Why is love so hard to understand  
To understand

I should have stayed and worked it out  
That's what love is all about  
Instead I left you all alone

The memory starts to flow  
The picture is me and you  
I keep them on the floor beside my bed  
The images rewind  
I loose myself in time  
The movie still players on inside my head  
The memory starts to flow  
The picture is me and you  
I keep them on the floor beside my bed  
Summer nights together  
walking hand in hand  
Why is love so hard to understand
