

# Get Loud!

**Agnostic Front**

We're living day to day and waiting around  
While nothing seems to change but the years on the ground  
You end up in the daily grind, you're crawling the walls  
Life is quickly fading  
And you're left with nothing at all

But it's time to change  
It's time to make an impact, nothing stays the same  
It's time to take back your life right now  
It's time to get up  
It's time to get loud!

You work your life away, it's still the same  
Nothing seems to change day after day  
You end up in the daily grind, you're crawling the walls  
Life is quickly fading  
And you're left with nothing at all

But it's time to change  
It's time to make an impact, nothing stays the same  
It's time to take back your life right now  
It's time to get up  
It's time to get loud!

But it's time to change  
It's time to make an impact, nothing stays the same  
It's time to take back your life right now  
It's time to get up  
It's time to get loud!

It's time to get loud!  
It's time to get loud!  
It's time to get loud!
