

I Had Enough

Agnostic Front

I see right through your games
I know what's going on
You need a desperate change
You think you're the only one.

You got no sanctuary - as far as I can see
You've got no power over me I disagree.

Set things straight - I'm gonna set things straight
I've had enough
You and me are gonna set things straight
I've had enough

I've got no time for this
My life is passing by
There's nothing that I'll miss
It's time to say goodbye.

I've had enough
'cause you're too much
I've had enough
you're just too much.
