

I Remember

Agnostic Front

I remember, Vinnie, me and you
A7 and the L.E.S. Crew
United Blood put us on the map
Victim In Pain, there's no turning back

It's 1980, I'm a psycho going crazy
In '81 I saw The Mob and I met Vinnie
2+2, Gildersleeves, CBGB's
Fighting for hardcore in every city

Hey! Ho!
Hey! Ho! Let's go!

In the heart of the city
I remember, Vinnie, me and you
United Blood, Victim In Pain
Cause for Alarm, our lives our way!

On Avenue A we came together
United Blood, VIP we're put together
Rowdy kids and a cry for unity
A brotherhood formed in the heart of New York City

I saw Roger on stage, he was a psycho
Stage dive, skank it up
Gotta gotta go!
The brutal angst and a voice was enough to know
He was lifer from the get go!

Hey! Ho!
Hey! Ho! Let's go!

In the heart of the city
I remember, Vinnie, me and you
United Blood, Victim In Pain
Cause for Alarm, our lives our way!

In the heart of the city
I remember, Vinnie, me and you
United Blood, Victim In Pain
Cause for Alarm, our lives our way!

In the heart of the city
I remember, Vinnie, me and you
United Blood, Victim In Pain
Cause for Alarm, our lives our way!

In the heart of the city
I remember, Vinnie, me and you
United Blood, Victim In Pain
Cause for Alarm, our lives our way!
