

## My Life

Agnostic Front

It's my life, one, two, three, four  
Everybody's got a price to pay  
It's my life  
Gonna do things my own way

It's my life  
Take what's mine, take what's left  
It's my life  
Live my life with no respect

It's my life  
Everybody's got a price to pay  
It's my life  
We don't like you anyway

It's my life  
And as I walk these streets all alone  
It's my life  
And I might not feel like going home

It's my life  
Everybody's got a price to pay  
It's my life  
Gonna do things my own way

It's my life  
Take what's mine take what's left  
It's my life  
Live my life with no respect  
It's my life
