Rage

Agnostic Front

Look at me, look at you, nothing to say Everything I'm own, you've taken away All I ever wanted was to get by Now you wanna know the reason why Don't believe in fate, I believe in bad luck All the stories told art so trumped up Wanna know why i'm so fucked up Now you wanna know the reason why RAGE... RAGE Every waking moment has this strain on me Can't unlock these secrets if I have no key When I go blow it up you'll know it's my time Now you wanna know the reason why My bad luck Su trumped up So fucked up Now you wanna know the reason why? RAGE
