Sit And Watch

Agnostic Front

I sit and watch as time goes by My ambitions are obsolete what ever happened to the way things were! The way things used to be.

Broken glass from a stolen car drug dealers surround me What ever happened to the way things used to be?

I sit and watch you from my window My rent check 2 weeks late What ever happened to the working man! He just does not get paid.

Integrity - My hopes, my dreams
I try to do what's right, what's right for me
Integrity - thoughts inside my head.
It seems I'm getting fucked
Until the day I'm dead.
