

"Das Böse... Das Böse..."

"Das Böse hat viele Formen angenommen."

Life forgotten, rejected by God
 So pure, the devilish thought
 Be forsaken in the life of the blind
 Pure evil dividing your kind

I have a spirit released by fear
 The Antichrist made a career
 Angel of Death in the life of the free
 Open your eyes, for you might see

"Das Böse."

Nine, nine, nine
 Redemption
 Nine, nine, nine
 Big evil
 Nine, nine, nine
