

# Bängbäng Goodbye

Agonoize

By the look into your eyes  
I feel my rage  
And have to Think twice  
You've turned away  
Now it's too late  
All I have left for you  
Is Anger and hate

You're not a part of me  
Get out of my face  
Get out of my way

You're not a part of me  
Cause you're not a part of me

Get out of my face  
Get out of my way

I suffer well  
Thats for sure  
For all these things I killed  
There is no cure  
No chance for guilt  
With fellings for regret

Sometimes I feel like I'll blow off my head  
Sometimes I feel like I'll blow off my head  
Sometimes I feel like I'll blow off my head  
Bang! Bang! Bang!

You're not a part of me  
Get out of my face  
Get out of my way

You're not a part of me  
You're not a part of me

You're not a part of me  
Cause you're a part of me

Get out of my face  
Get out of my way

You're not part of me  
Cause you're not part of me

By the look into your eyes  
I feel betrayed  
By all your lies  
The time is right  
The feelings are dead  
Sometimes I feel like I'll blow off my head

Sometimes I feel like I'll blow off my head  
Bang Bang Bang.
