They turn away from their belief
They turn away from basic greed
Sick and bored, usurp The One

A dark feeling has grown inside
No more blessings or place of pride

It doesn't matter if His kingdom is come

They reached a point beyond their faith
Driven by disbelief, mistrust, and hate
Depraved monks are walking the earth
The black sheep in the Holy Church

They hungered for more changes to make
Unresolved, easy to wait
With the basic of trapping on the ship of fools
Misguided by the blind, and sickness rules
