

## God For Sale

Agonize

It's all about,  
It's all about money!  
Sell your flesh  
And save your soul!  
No need to pray,  
Just pay for forgiveness!

...

If you will pay for your deadly sin,  
You will be free from the Devil within!  
If you're poor, we'll say, however  
A pure soul has to wait forever!

Wait... Wait... Wait...

No remorse!

God for sale,  
Nothing is better than know you've just purchased your faith  
God for sale,  
You just pay and we wait for time to embrace

...

It's all about,  
It's all about money!  
A piece of flesh can now  
save you from Hell!  
No need to pray,  
Just pay for forgiveness!
