

To Paradise

Agonoize

I'll take you to paradise

I'll take you to paradise

Close your eyes, you will feel no pain

Take my hand you will be paralyzed

My hands on your neck down in the rain

Down in the rain....

Your eyes don't see

What you mean to me

So Blind... help me

I'm falling complete

I'll take you to paradise

I'll take you to paradise

Your eyes don't see

What you mean to me

So Blind... help me

I'm falling complete
