

Dear John Letter

Agression

now
baby don't you write me no dear john letter
don't you think i deserve a little better
well the first time that i saw you i knew i had to get you
but i didn't know that i would be your babysitter
cuz you loved me just like you wrote the book
a look and a promise was all that it took
you didn't really see me i guess you didn't look
i can always tell when i've been let off the hook
