

Would You Mind

Agsunta

I wanna be the reason why you
Smile everyday
I wanna be the one who's by your side
Every tick of the clock

The first time I saw you
I already knew
The feeling is true
So now I say to you
Let's be the perfect two

Would you mind if I take your hand?
Would you mind if I steal a kiss?
Would you mind if I make you mine?
Would you mind?
Would you mind?
I will just take care of you
I'll promise that I'll be true
I will not do anything to hurt you

You said you're not easy to please
But I don't care
I'll make it a breeze
Please don't make this hard for me
I want you
Be my baby

The first time I saw you
I already knew
The feeling is true
So now I say to you
Let's be the perfect two

Would you mind if I take your hand?
Would you mind if I steal a kiss?
Would you mind if I make you mine?
Would you mind?
Would you mind?
I will just take care of you
I'll promise that I'll be true
I will not do anything to hurt you

I may not be the perfect guy
But I'll be the right one
So just give me chance
If we will be together
I'll hold you forever

Would you mind if I take your hand?
Would you mind if I steal a kiss?
Would you mind if I make you mine?
Would you mind?
Would you mind?
I will just take care of you
I'll promise that I'll be true
I will not do anything

Would you mind if I take your hand?
Would you mind if I steal a kiss?
Would you mind if I make you mine?
Would you mind?
Would you mind?
I will just take care of you
I'll promise that I'll be true
I will not do anything to hurt you

You... Ooh...
Would you mind?
Would you mind?
Do you?
Would you mind if I take your hand?
Would you mind if I steal a kiss?
Would you mind if I take your hand?
Would you mind?
Would you mind?
Ooh...
