Glitter, glitter look at my crown glitter
Remember, remember days gone by remember
We so fly, we so fly private jet we so fly

Yeah uh, born a slave but now a king
Berserk tiger Gwanghae flow
Born in a ditch but rise up a dragon
That's the way I live
Sorry but don't worry
I got lots to lose
Shove the past into a rice chest
I'm about to dine on what I know is mine
Shut up, yeah, you calling me a pup, yeah
I was born a tiger, I ain't no weak pill-popper like you
Pathetic fucks putting on a talent show
Not gonna lie what a shitshow
I got no pretensions just kill 'em all
Ain't no exceptions I watch you fall

Flexing I got none
I don't need one

Who's the king, who's the boss
You all know my name
All shit-talk they got no game
Off with their heads

Hit this town then cut and run in a jet
This country's too small to hold me in yet
Woo, who says time is money
My time is worth more than that
Tic tok, got a stick up your ass
I'm about to spit in your face
Revenues keep going up-up-up-up-up-up and up
Everyday, Bang PD keeps dancing on-on-on-on-on-on and on
I'm so thankful I'm a genius
That's your excuse for popping pills, cry me a river you just got no skills
I got everything I wanted, what more'll make me feel contented
I wanted clothes clothes, then money money, then goal goal now what's next
Yeah what's next, here comes my reality check there's nowhere higher
I only looked up and now I want to look down and put my feet on the ground

I'm a king, I'm a boss
Remember my name
All shit-talk they got no game
Off with their heads
I'm a king, I'm a boss
You all know my name
All shit-talk they got no game
Off with their heads
