This song's a haegeum
Get on board now
This lively rhythm
Perhaps, this could be a new kind of haegeum

Interpretation is free for all
Out with the nonsense
Freedom of expression
Could be reason for somebody's death
Could you still consider that freedom?
If your convictions are reflected
In your judgment and speculations
And you believe that your freedom
Is on the same level as others'
Then don't hesitate,
Just get on board
Liberation from all that's forbidden
For all those living in these unfortunate times
Who don't even understand
Their own tastes
This song's simply about freeing what's forbidden
But you must remember to
Differentiate freedom from self-indulgence

This song's a haegeum
Get on board now
This lively rhythm
A new kind of haegeum

Endless influx of information
Prohibits freedom of imagination,
And seeks conformity of thought

All these painful noises blind you, and
Now it even infringes
On freedom of thought
All the controversy incessantly
Triggers confusion in judgment uh
Really, what is it exactly that's been restricting us?
Maybe we do it to ourselves
Slaves to capitalism, slaves to money
Slaves to hatred and prejudice
Slaves to YouTube, slaves to flexin'
Selfishness and greed have gone off the rails
I close my eyes and it's easy, it's all so obvious
Opinions clearly split depending on what's to gain
Everyone's been blinded
By envy and jealousy
Without realizing that they're putting
Shackles on each other
Don't get swept away by this tsunami of info
'Cause we all differentiate freedom from self-indulgence

This song's a haegeum
Get on board now
