This thing called love  
Maybe it's just a momentary list of emotions  
It's conditional, what is it that I love?  
Wasn't loved enough as a kid  
That's why I'm the cautious type  
I want it, a sincere connection with others  
Forever's something like a sand castle, you know  
It comes crumbling down at the calmest of waves  
What is it about loss that makes us so sad?  
Really, it's the dread that makes us so sad

So far away, you're gone  
Getting far away  
Too far away, you're gone  
I know I have to know

So time is yet now  
Right here to go  
I know you know

Anything does know  
So time is yet now  
Right here to go  
Nobody doesn't know anymore

What is it that makes you so sad?  
Really, it's the dread that's so daunting  
The us that dreamt of a future together is no more  
We're the ones  
Who tore down the sand castle  
They say there are no winners or losers in this game  
But I'm always the loser  
We said we'd give our all, but we tore it all down  
And then we leave  
Because both love and people are selfish

So far away, you're gone  
Getting far away  
Too far away, you're gone  
I know I have to know

So time is yet now  
Right here to go  
I know you know  
Anything does know  
So time is yet now  
Right here to go  
Nobody doesn't know anymore

So goes the person, so goes the love  
What comes at the end of love?  
Endless people, a love that has passed by  
Is love wholly perfect on its own?  
Selflessness can actually be selfish too, it's true  
It's actually my greed when I say that it's all for you  
Will I be happy if I give up my greed  
A half-illusion that can never be fulfilled

They say life's a struggle between resistance and submission  
I say it's a struggle against loneliness  
If you can't hold it back, it's okay to cry  
You're already more than enough to be loved

So time is yet now  
Right here to go  
I know you know  
Anything does know  
So time is yet now  
Right here to go  
Nobody doesn't know anymore
