Aha Gazelle

Don't be fooled; I'm nothing special  
I know you can do better  
I don't have it together  
You'll wish you never met me  
I promise you'll regret it  
With me there's no forever  
I'll push you out the window  
Don't fall for my potential

I don't care bout ya feelings  
Get back- just mind ya business  
Got so much work to do  
I'm tryna blow up the building  
Don't question my decisions  
Didn't ask for your opinion  
It's me and all my crew  
We turnt up through the ceiling  
Where the bass at? I don't feel it  
They watching and they filming  
I'm so concerned with winning  
I forget I'm supposed to witness  
I do believe in God  
And, Jesus died for me  
It's my favorite excuse  
When I let sin succeed

Don't be fooled; I'm nothing special  
I know you can do better  
I don't have it together  
You'll wish you never met me  
I promise you'll regret it  
With me there's no forever  
I'll push you out the window  
Don't fall for my potential  
Oh, no, no, no, no  
Get everything you own  
And go, go, go, go  
I told you once before  
Don't act like you don't knoooo-ooo-ooo-oow  
Yea yea yea yea yea yea yea

I don't care bout ya feelings  
I told you mind ya business  
I told you I'm a rapper  
Y'all want a politician  
Because I tell the truth  
Y'all tryna take my position  
I'm just too real for you  
I have no secret missions  
We turnt up through the ceiling  
Why you come in here with all this fighting  
Mess with us and they gon' feel it  
Josh said he has license  
And you know what that means... we sorry...

Don't be fooled; I'm nothing special  
I know you can do better

I don't have it together  
You'll wish you never met me  
I promise you'll regret it  
With me there's no forever  
I'll push you out the window  
Don't fall for my potential  
Oh, no, no, no, no  
Get everything you own  
And, go, go, go, go

I told you once before  
And you know what that means  
I need you to get away get away from here  
I need you to take everything that you have  
Get as far as you can baby  
Don't look back at me  
Don't let me waste your time  
Get your stuff and leave  
It's not fair for you to have to wait for me  
Here's your heart- take it back; don't forget your keys  
And, it's raining outside so please do not speed  
So, just drive away  
And, remember everything that I tried to say  
Delete that heart by my name; not even a smiley face

Don't be fooled; I'm nothing special  
I know you can do better  
I don't have it together  
You'll wish you never met me  
I promise you'll regret it  
With me there's no forever

Anointing fall on me  
Anointing fall on me  
Let the power of the Holy Ghost fall on me  
Anointing fall on me  
Yaaaaaa  
On me, on me  
Yaaaaaa, cool  
That's that sauce
