When they see me, they like, "Oh, no, here we go again"  
Where my story started isn't where my story ends  
One time not enough, let's go again, times 1, times 2  
Ooh, you gotta multiply, times 10

If you gon' roll then pay the toll, that's what the sign say

Can't put no money on the head, I'd rather meditate (I'd rather meditate)
