

Alive Again

AHI

Carry, carry me away, my lord
Bring me to a peaceful land
Take me, take me where the honey flows
Lead me by familiar hands

It's all I know
You make me feel alive again
It's all I kno-ooow
You make me feel alive again

Hold me, hold me here inside your arms
Tell me that you won't let go
Show me, show me where the blessings are
And there is where we'll build our home

It's all I know
You make me feel alive again
It's all I kno-ooow
You make me feel alive again

Oo-oo ah-ah-ah, ooo ah-ah-ah
Oo-oo ah-ah-ah, ooo ah-ah-ah

Carry, carry me away, my lord
Bring me to a peaceful land
Take me, take me where the honey flows
Lead me by familiar hands

It's all I know
You make me feel alive again
It's all I kno-ooow
You make me feel alive again

Oo-oo ah-ah-ah, ooo ah-ah-ah
Oo-oo ah-ah-ah, ooo ah-ah-ah

It's all I know
You make me feel alive again
You make me feel alive again
It's all I know
You make me feel alive again
You make me feel alive again
