

# Breakin' Ground

AHI

I've been told I'm worthless  
So much that it gave me purpose  
And I took the creative license  
To believe that it means I'm priceless  
Now I'm so determined  
To prove that I ain't no burden  
And I know I'm gonna make it out  
'Cause I'm already breakin' ground

I come from a tribe of no ones  
All we had was lost or stolen  
Got a pocket full of debt and doubt  
And barrel full of hand me downs  
I thought all doors were broken  
'Til I finally got one open  
And I know I'm gonna make it out  
'Cause I'm already breakin' ground

I know I'm gonna make it out  
'Cause I'm already breakin' ground  
Since the blessings started pouring down  
See I'm already losing count  
I'm earning the right to say anybody can find their way  
'Cause I know I'm gonna make it out  
'Cause I'm already breakin' ground

I've met some folks just like me  
Who sit and wonder what life might be  
If they were dealt with a privileged hand  
Or inherited a thousand grand  
This life is a lesson in unfair  
But I'm studying "Not To Care"  
'Cause I know I'm gonna make it out  
'Cause I'm already breakin' ground

I know I'm gonna make it out  
'Cause I'm already breakin' ground  
Since the blessings started pouring down  
See I'm already losing count  
I'm earning the right to say anybody can find their way  
'Cause I know I'm gonna make it out  
'Cause I'm already breakin' ground

It feels like yesterday  
I was sleeping in Thunder Bay  
I planned on giving up  
But giving up gave up on me  
And then you told my story  
Showed me there's a path before me  
Now I know I'm gonna make it out  
'Cause I'm already breakin' ground

I know I'm gonna make it out  
Cause I'm already breakin' ground  
Since the blessings started pouring down  
See I'm already losing count  
I'm earning the right to say anybody can find their way

Cause I know I'm gonna make it out  
'Cause I'm already breakin' ground

I know I'm gonna make it out cause I'm already breakin' ground  
Since the blessings started pouring down  
See I'm already losing count  
I'm taking it day by day as I'm learning my own way  
Cause I know I'm gonna make it out  
'Cause I'm already breakin' ground
