

Courage Is Found

AHI

Mm-mm-mm-mmmm, mm-mm-mm-mmmm-mmm

Oh that candle's dry, I've never seen that flame die out before
Keep your chin up high, I'm gonna get us through this black cloud storm

Mm-mm-mm-mmmm, mm-mm-mm-mmmm-mmm

Oh that hallway's dark, but I see light at the end of this place
Don't you dare lose heart, pride is born once we overcome pain

Whoa oh oh oh oh oh oh oh
Courage is found, courage is found
Whoa oh oh oh oh oh oh oh
I won't let you down, won't let you down

Mm-mm-mm-mmmm, mm-mm-mm-mmmm-mmm

Oh that silver line, only comes out when I see you smile
And, I know, I know, I know, inch by inch and we'll get through every mile

Whoa oh oh oh oh oh oh oh, courage is found, courage is found
Whoa oh oh oh oh oh oh oh, I won't let you down, won't let you down
Whoa oh oh oh oh oh oh oh, courage is found, courage is found

Oh, with our young hearts we'll just keep burning on
With our young hearts we'll forever be strong
With our young hearts, nothing can go wrong
Oh with our young hearts we'll just keep burning on and on

Whoa oh oh oh oh oh oh oh
Courage is found, courage is found
Whoa oh oh oh oh oh oh oh
I won't let you down, won't let you down

Whoa oh oh oh oh oh oh oh
Courage is found, courage is found
Whoa oh oh oh oh oh oh oh
I won't let you down, won't let you down
