Take me back to Kelowna
Cause I don't want to get over
Bathe me in the Okanagan waters
Take me back to Kelowna

I drank wine with a wise man
He had tears in his eyes then, whoa
Take me back
He said, If you want to be something,
Gotta know what it means to have nothing, whoa
Take me back

The world can be your teacher, just don't let it be your leader So I've
Learned not to follow my mistakes

Take me back to Kelowna
Cause I don't want to get over
Bathe me in the Okanagan waters
Take me back to Kelowna

I found truth in a seedling
'Cause it taught me my meaning, whoa
Take me back
You see that seed it gotta die
Before that tree can come alive, whoa
Take me back

Some of us are dreamers, some are our brother's keepers, But all of us
Are looking for someplace

Take me back to Kelowna
Cause I don't want to get over
Bathe me in the Okanagan waters
Take me back to Kelowna

Take. Me. Back. I wanna go, wanna go on the valley road. Take. Me.
Back. I wanna go, wanna go won't you take me Lord. Take. Me. Back.
I wanna go, wanna go like the river flows. Take. Me. Back. I wanna
Go-oh-oh-ohhh,

Take me back to Kelowna
Cause I don't want to get over
Bathe me in the Okanagan waters
Take me back to Kelowna

Take me back to Kelowna
Cause I don't want to get over
Bathe me in the Okanagan waters
Take me back to Kelowna
