

Straight Ahead

AHI

There is a road, it's paved in swell intentions
And even though it appears to have dimensions
Many good souls get lost when the fork arrives
There are signs that might have double meaning
'Cause they're designed to only be misleading
Many fall by the wayside, many don't survive

Oh-oh-oh-oh-oh-oh, keep straight ahead
Oh-oh-oh-oh-oh-oh, with no regrets
Even though you're off the beaten path
Trust your heart and don't look back
Oh-oh-oh-oh-oh-oh, Keep straight ahead

Travel light, all you need is intuition
Leave it all behind, the shadows lead you to perdition
Kick up the dust and let it fade to the afterthought

Oh-oh-oh-oh-oh-oh, keep straight ahead
Oh-oh-oh-oh-oh-oh, with no regrets
Even though you're off the beaten path
Trust your heart and don't look back
Oh-oh-oh-oh-oh-oh, Keep straight ahead

Oh-oh-oh-oh-oh-oh-oh...
Straight ahead, straight ahead, straight ahea-ea-ea-ead

Oh-oh-oh-oh-oh-oh-oh...
Straight ahead, straight ahead, straight ahea-ea-ea-ead

Oh-oh-oh-oh-oh-oh, keep straight ahead
Oh-oh-oh-oh-oh-oh, with no regrets
Even though you're off the beaten path
Trust your heart and don't look back
Oh-oh-oh-oh-oh-oh, Keep straight ahead

Oh-oh-oh-oh-oh-oh, Keep straight ahead
Oh-oh-oh-oh-oh-oh, Keep straight ahead

Oh-oh-oh-oh-oh-oh, keep straight ahead
Oh-oh-oh-oh-oh-oh, with no regrets
Even though you're off the beaten path
Trust your heart and don't look back
Oh-oh-oh-oh-oh-oh, Keep straight ahead
