

# Wreckage

AHI

Nobody ever tried to rescue us  
They only ever tried to sabotage  
Said it was ashes and dust for us  
Dug up the dirt for a burial plot  
We weren't supposed to ever make it this far  
Stuck in a world trying to tear us apart  
We get even when we beat the odds  
For you and I this is just the start

They did not think we would still be here  
But together we made the way clear

We came out of the wreckage, wreckage, wreckage  
Not a scratch, not a mark, no not a blemish  
Oh we were used and abused and neglected  
We made it through the wreckage  
They forgot about us, we're children of the wreckage

Under the rubble they ignored our calls  
Told everybody it was a false alarm  
Thought we were doomed when they saw us free-fall  
But didn't I tell you we could never be harmed  
As long as there's life we'll always fight  
And we've been fighting for all our lives  
If we're buried in dark we'll reach that light  
'Cause you and I, we were born to survive

They did not think we would still be here  
But together we made the way clear

We came out of the wreckage, wreckage, wreckage  
Not a scratch, not a mark, no not a blemish  
Oh we were used and abused and neglected  
We made it through the wreckage  
They forgot about us, we're children of the wreckage

We are the miracle; they forgot about us, forgot about us  
We are still here, we are; they forgot about us, forgot about us  
We are the miracle; they forgot about us, forgot about us  
We are still here we are; they forgot us, we're children of the wreckage

Wreckage, wreckage, wreckage  
Forgot about us, forgot about us  
Wreckage, wreckage, wreckage  
They forgot about us

We came out of the wreckage, wreckage, wreckage  
Not a scratch, not a mark, no not a blemish  
Oh we were used and abused and neglected  
We made it through the wreckage  
They forgot about us, we're children of the wreckage

We came out of the wreckage, wreckage, wreckage  
Not a scratch, not a mark, no not a blemish  
Oh we were used and abused and neglected  
We made it through the wreckage  
They forgot about us, we're children of the wreckage
