

reading into it

Aidan Bissett

Let's pretend that we're married
Go on our honeymoon at the bar
Asking you 'bout your parents
But you just wanna make out in the dark

You ramble on and
Ask what I'm wanting
I smile like it's nothing
I'm lying through my teeth

Don't go reading into it
That's what she said, but
I always do it
Clothes on her bed
Feeling kinda stupid
Got me goin' through it
Casually ruined
Oh, oh, don't go
Reading into it
That's what she said, but
I always do it
Clothes on her bed
Feeling kinda stupid
Got me goin' through it
Casually ruined
I'm reading into it

Oh god, think you got, you got me
But you want what you want, a weekend affair
So I'll drop you off in the morning
Think twice and act like I don't even care

You ramble on and
Ask what I'm wanting
I smile like it's nothing
I'm lying through my teeth

Don't go reading into it
That's what she said, but
I always do it
Clothes on her bed
Feeling kinda stupid
Got me goin' through it
Casually ruined
Oh, oh, don't go
Reading into it
That's what she said, but
I always do it
Clothes on her bed
Feeling kinda stupid
Got me goin' through it
Casually ruined
I'm reading into it

You ramble on and
Ask what I'm wanting
I smile like it's nothing

I'm lying through my teeth

Don't go reading into it
That's what she said, but
I always do it
Clothes on her bed
Feeling kinda stupid
Got me goin' through it
Casually ruined
Oh, oh, don't go
Reading into it
That's what she said, but
I always do it
Clothes on her bed
Feeling kinda stupid
Got me goin' through it
Casually ruined
I'm reading into it
