

# Better Man

Aiden Grimshaw

She convinced my heart she's all I'm living for  
Cupid shot in the dark, the arrow's on the floor  
Take me back to the start and I'd relive it all  
Oh, we could make a new start if you forgive it all  
I know I made mistakes but I was only young  
You don't know what you have until you make it go  
I spend my time just thinking about life and love  
If there's no love in life, there's just nothingness

I know I'd make you happy  
I know you'd make me smile  
And if all your friends are busy  
I'll stay up with you all night  
Cause I wanna kiss your lips once more  
Put cushions on the bedroom floor  
I wanna be a better man  
Please understand

That I just wanna be close to you  
I just wanna be close to you  
I just wanna be  
I just wanna be close to you, close to you

I just wanna be close to you

I just wanna be close to you, close to you

Close to you  
Close to you  
Close to  
You
