

Mi Have It

Aidonia

From man a likkle youth wi a make step
Size 10 a one bwoy wah no take check
No zombi no left it when dem expect
Yow yo cyan catch man off guard

Man a top dog, wi no drop guard
Yeh mi step in a the street wid the black dog
Dem a run off dem mouth an dem a chat hard
Dem seh diddy cyan lock yard
Anything mi mentioned a my own
The G lock a my own
The V 90 my own
Eagle a fly down when yo si mi pon the bike
Ride down yo try run
Fool take weh yo self go hide in a oil drum
Caw yo should a simmer like a pot a boil down
Mi mad fi the sylum
Hot coal an toil ground
Dem search fi another like me an find none
Mi have the thing in a mi hand when mi a sleep an Lydon

Anytime yo si mi yeh mi have it
Anywhere yo si mi yeh mi have it
Yeh that a mi habit
The long thing dem denary have it
Anywhere dem si mi dem a panic
Caw dem a go si mi on it

Everywhere dem si mi yeh mi have it
Anywhere dem si mi yah mi have it
Yeh that a mi habit
The long thing dem denary have it
Anywhere dem si mi dem a panic
Caw dem a go si mi on it

When mi step cross take whe yo self fast
First thing in a the morning like breakfast
Night Jew pon the wet grass, wet grass
Bay face a no Halloween we no get mask
Wid the broom up 2 3 left march
Tell dem no tress pass or it a go belch off
Sparks dem bright like a well torch
When dem si lord evil dem shout yes boss
All when dem team up like peanut dem get parch
Meck somebody cut out black suit from the dress cloth
If yuh did well smart yuh cut like a jet fast
Role from the shot left yo 2lbs a neck wasp
