Wi heading to the rass top  
So move wid yo dutty heart  
Fuck off wid witch craft  
Caw that cyaa work

Dutty mouth yuh fi brush yo teeth bad breath  
A sprinkle dem oil and dem have trap set  
Dem waan si mi meck a bad step and pop neck  
Dem waan mi maga down, sit sown and fret  
Mi naw fret, mi naw fret  
Mi naw fret mi God bless  
A smile an a talk bout the youth weh mi get  
And the woman a mi yard how shi cute like a creps  
And inna dem heart dem waan send mister death
