Never Never

Aidonia

Mi seh never, never, never, fuck a batty
Yo mad?
Never, never suck no pussy like the bwoy Trevor
God no love no man weh rub up pon dem one another
Mi no suck no pussy, gyal climb mi cockey like a ladder

Mi seh never, never, never, fuck a batty
Yo mad?
Never, never, run away, then mi naw ever
God no love no man weh rub up pon dem one another
And some man seh dem a tug
And man a tear a pick dem feather

Gyal yo could a pretty like a rose when it fresher
Put yo pon di cockey, pon di dresser fi di pressure
Mi no force no gyal, nor hold no gyal fi get no head
Caw mi know mi naw go use mi head a search fi no treasure
Some man seh dem a stepper, wa kind a stepper?
How yuh fi meck man a burn yuh like a pepper
No bwoy cyaa tell mi come lydown pon da chest yah
Naw change from the gyal dem
Gimmi fat pussy Shanessa

Something some man a do, mi naw do
Mi no tek no lick, no waan no botton from no warden
From mi born mi grow rough so mi no waan soften
Mi no nam no banana, mi no waan no planting
Straight fom born, f pussy often
Straight till the day when mi go inna mi coffin
Some bwoy love hype, love party fi the flossing
Me love the gyal dem
