

## One Heart

Aidonia

When you find that somebody  
That somebody  
Everyday you just a think bout her

Not a day cyaa passed and mi no call her, text her  
Mi just a think bout her

Even when mi gone pon tour  
Girl you are sure  
Seh mi just a think bout her

Even when am sleeping girl  
Dreaming of you

One heart, girl it's yours  
Mi one heart  
Am feeling sure  
One heart  
Feel this feeling deep in my soul  
One heart take control

Baby gyal yuh a mi everything mi heart beat  
Miss yo likkle pretty look yo face mi waan seet  
Waan hug yo in a mi arms and kiss yo paw cheek  
Da loving yah weh mi have feel fi sure mi waan keep  
If yuh every mad at mi, mi cyaa sleep  
Stressed out not even food mi nah eat  
Real off meck yo feel weak in yo knees  
Yo know when the feeling deep

I just wanna see you smile  
Brighten my day like sunshine  
Belly full a butterfly like a likkle young child  
Girl yuh always on my mind a no just sometime  
On my mind when mi sleep, when mi wake up  
Mi body just a shake up  
Miss yo bad mi waan fi hear yo voice  
Mi phone mi take up  
Mi wi never tell yo seh fi gwaan  
Mi no waan fi brake up  
Hear my thought, my thought girl
