Hey

Hey, boy
You got me dressed up on this Friday
Don't you play boy, yeah
'Cause I'm a treasure that you found
And I don't wanna wait around
Just gimme up a love so lush
Monroe deluxe (Diamonds are a girls best friend)

If you wanna go shake it I'm shameless, yeah
(Boy you better bring that bling, bling)
I'll take it so gracious, now
(One touch, baby, one more touch)
And I want you to see
Me like gold, yeah
It's famous love
Da-de-dum-da-de-dum

Bling, baby, bling, bling, bling
Think I'll blow a kiss with my diamond ring
I'm a Marilyn, a Coco (Ayy)
Ayy, oh, ayy, oh
Da-de-dum-da-de-dum
Bling, baby, bling, bling, bling
Ballin' like a king I'm a do my thing
I'm a Marilyn, a Coco (Ayy)
