

Heartcrusher

Ailee

Just like an angel
But with devils eyes devils eyes
Almost got struck
But I see through his lies through his lies
Trynna go and steal my soul
Take advantage of my heart and go
Damn you're so sexy
But you're not the one
Not the one not the one

Paralysed, you've got me thinking
What could be tonight
Baby I ain't jaded
But I don't wanna give a try
I can tell you rule a lie
Boy I know you got twisted mind

Go go go go go
Baby go away
Go go go go go
I don't want you stay

Alright F it
You can come over here tonight
See, you already got me
Giving you my time
But as long as
We're clear baby boy you ain't mine

I don't think that you can be my lover
I'm not gonna be the one to suffer
Cause you ain't nothing
But a mean heartcrusher
Mean heartcrusher, crusher crusher

I don't think that you can be my lover
I'm not gonna be the one to suffer
Cause you ain't nothin
But a mean heartcrusher
Mean heartcrusher, crusher crusher
Heartcrusher
